ADDENDUM NO. 1

ADDENDUM-PRE-QUALIFICATION OF CONTACTORS AND CONSULTANTS FOR DIAMOND DRILLING (EXPLORATION) WORKS AND AIRBORNE/GROUND GEOPHYSICAL SURVEYS

This Addendum follows clarifications sought by some prospective foreign based participants regarding the above stated pre-qualification notice.

Please be informed as follows:

- (i) Applicants not established/registered in Zambia but do wish to participate in this pre-qualification process, are permitted to do so at this stage
- (ii) Such firms will be required to submit equivalent Social Securities in place of Zambian NAPSA and Workers Compensation certifications/registrations.
- (iii) they shall submit proof of tax compliance documents in place of Zambian tax clearance/registration.
- (iv) Such firms are required to submit Proof of Company incorporation/Registration and annual returns if applicable in place of Zambian PACRA documents.
- (v) Submit a Listing of shareholders/owners of the firm
- (vi) All foreign based firms will be required to enter into partnerships with locally and Zambian registered firms, should they be pre-qualified.

Furthermore, take note that the deadline for submission has been moved to Friday, 8th May 2026 at 16:00 Hours via a link to be shared by ZCCM-IH PLC to paid-up applicants only.

Kindly note that applicants will not have access to the link after 16:00 hours on the closing day, therefore, no late or physical applications shall be accepted.

Interested applicants may wish to know that all other terms, conditions, contents, and requirements remain unchanged. Interested firms are therefore advised to read this addendum together with the initial advertisement and pre-qualification documents as it forms part of the whole set of the pre-qualification documents.
